This law as passed by Congress provided that the provisions of the inter-State Commerce act should not be construed as permitting the shipment of interdicted game from one State to another. BALTIMORE. Oct. 10.—About 200 perons participated yesterday in the fourth pilgrimage of the American Methodist Historical Society to Perry Hall and Camp Chapel, in Baltimore county, and the affair was a success in every way. Distinguished men of the Methodist Episcopal Church, North and South, were present and made addresses telling of early Methodism in the lessons suggested by the events which the pilgrimage

called to mind.

Perry Hall Mansion was first visited. It was the home of Harry Dorsey Gough, one of the most prominent men of his day, and one of the early converts to Methodism.
